II. NEW BUSINESS

A. Discussion and Potential Action Regarding Alternative Education and Related Facilities

Several options about providing alternative educational resources to our at-risk student population were discussed. The goal of our program should be for the student to graduate high school, hold down a livable wage job, and be able to be a functioning citizen in our community. The discussion evolved into how, as a school district, we serve our students and community better in this regard.

This item was tabled to a future date when Administration can look at renovations of existing facilities and bring back to the School Board at a future date.
Item TABLED.

III. ADJOURNMENT

Motion by Panka and seconded by Gilberts to adjourn meeting at 6:47 p.m. Passed unanimously with all in favor. Meeting Adjourned.
