STUDENT AFTER HOURS CONTRACT

The After Hours Program is offered by the Prairie du Chien High School in order to provide homework assistance to students who are seeking additional help or who currently have D's and F's in their classes. Staff will be available to assist students with homework and late or missing assignments, provide one-on-one tutoring, and help with homework and studying. The After Hours Program will run Monday through Thursday (when school is in session) from 3:40 p.m. to 4:40 p.m.

Students who are failing will be required to attend after hours or make arrangements to work with the teacher of the class in order to pass. Students must make special arrangements with the office if they cannot attend or they must make arrangements with the After Hours supervisor before an absence. Parents will be notified if a student does not attend.

Your signature on this contract signifies you agree to abide by the following rules:
