IV. PRESIDENT'S COMMENTS

V. OLD BUSINESS

- Concession Stands: Status Update
- Conference Plaques in Gym - The quote for the sign would be approx. \$175.00.
- Drinking Fountain for Bluff View - EZH20 drinking fountain/bottle filling station like they have at the High School. This is the fountain going towards the gym and it is currently out of order. Would the Booster Club be interested in helping with the cost? I talked to Chris Mezera and she said the BV Student Council would help also. The PTO declined when Diane Zahara asked if they would donate the whole cost. She was thinking they might be more willing if other organizations would help out also. The price is 1531.40. This is more than the High Schools because it is a double fountain. Give me a call if have any questions or stop by.
Thanks for your consideration!
Jim
- Cash Raffle

VI. NEW BUSINESS

- Concession Stand Disbursement for International Club
